

LINKING ENVIRONMENT AND FARMING

Marketing and Communications Graduate

Leading sustainable farming organisation, LEAF (Linking Environment And Farming) has an exciting new opportunity for a Marketing Graduate, based at Stoneleigh Park, Kenilworth, Warwickshire.

LEAF is looking for a dynamic, proficient and creative marketing graduate (preferably with experience or knowledge of the agricultural sector) to join a close-knit team to strengthen its marketing and communication activity and support its projects and services.

In this varied role, the successful applicant will support a full range of marketing and communications services including design, website development and maintenance, social media, production of digital and print resources, filming, editing and copywriting.

Full time 35 hours- competitive salary - pension. Email for applications (please send CV and supporting letter) or for further details to enquiries@leafuk.org.

Applications close 13th August 2017.
